Pure 312 / Pure 13 / Pure 10

**Speech in noise**  
Thanks to **Speech Quality**, Signia's hearing aids enable you to hear speech clearly in all situations through advanced noise suppression technologies. This makes it easier for you to understand your conversation partner, even in very noisy environments such as a restaurant or a conference.

**Crystal clear sound**  
**Sound Clarity** offers our most natural, lifelike sound in all environments. This lets you enjoy crystal clear sound, even in the loudest environments.

Pure 312 / Pure 13

**Hearing your own voice**  
Many hearing aid wearers do not like the sound of their own voice as it can sound loud and unnatural. As a world's first, Signia's hearing aids solve this: their **OVP™ (Own Voice Processing)** provides you with a natural sounding own voice combined with optimal hearing of all other sounds for our most pleasant, natural listening experience.

**Conversation while moving**  
The **3D Classifier** provides advanced automatic control in all situations to let you enjoy our highest hearing performance. To enjoy optimal hearing even when moving, the hearing aid settings are automatically adjusted based on the **myControl App's motion data**.
